Last night I saw your reflection  
In the moon  
You were smilin' down  
Through the window of my bedroom  
From far across the miles  
From across the sea  
It looked like old Mister Moon  
Had brought you back to me

[Chorus]

Yeah, but some folks think I'm crazy  
Some folks think I'm crazy  
For howlin' at the moon  
For howlin' at the moon

Two teardrops formed  
At the corners of my eyes  
As I watched a shooting star  
Fall across the sky  
I wished a wish for you, a wish for me  
Now we'll be alright  
That's the message old mister moon  
Was sendin' me last night

[Chorus]

Yeah, but some folks think I'm crazy  
Some folks think I'm crazy  
For howlin' at the moon  
For howlin' at the moon

[Bridge]

And tonight I know you're comin' home  
I won't have to sit here all alone  
Staring out the window at the dark of night  
I can't wait to see your smile so bright

[Chorus]

Yeah, but some folks think I'm crazy  
Some folks think I'm crazy  
For howlin' at the moon  
For howlin' at the moon

I'm howlin' at the moon  
I'm howlin' at the moon  
I'm howlin' at the moon  
I'm howlin' at the moon
