[Chorus]

She's never satisfied  
There's always something on her mind  
Somethin' that I did or didn't do  
Its a rough and bumpy ride  
Havin' this girl by my side  
Let me tell ya, she's never satisfied

I'm a modern man  
Try to help around the house  
Do the best I can  
There's nothing I can't do  
I cook , I do the dishes  
And the laundry too  
So I'm a little too fond  
Of the tumble dryer, I know...  
When her pants came out too tight  
And her shirts...not quite so white  
I said looky-here, honey  
Looks like a brand new set of clothes

[Chorus]

She's never satisfied  
There's always something on her mind  
Somethin' that I did or didn't do  
Its a rough and bumpy ride  
Havin' this girl by my side  
Let me tell ya, she's never satisfied

I'm a handy guy  
Some people hire builders  
Can't imagine why  
I like to get things done  
Ain't got a lot of tools  
But it don't matter none  
So I got outta hand  
With the neighbors chainsaw, I know...  
When that tree came down last night  
Just a wee bit to the right  
We got a door  
Where we had no door before

[Chorus]

She's never satisfied  
There's always something on her mind  
Somethin' that I did or didn't do  
Its a rough and bumpy ride  
Havin' this girl by my side  
Let me tell ya, she's never satisfied

[Bridge]

So I surprised her with a late night out  
Some monster trucks, some burgers and some beers  
I popped the question for the 18th time  
And she said...not in a million years

[Chorus]

She's never satisfied  
There's always something on her mind  
Somethin' that I did or didn't do  
Its a rough and bumpy ride  
Havin' this girl by my side  
Let me tell ya, she's never satisfied  
Let me tell ya, she's never satisfied
