Chorus:

Baby all I wanna know,

Girl tell me if it's so

Baby all I wanna know is you need me

(yeah, yeah)

All I wanna know girl tell me if it's so

Baby all I wanna know is you need me

Here lately I don't get enough of you

I'm thinking maybe you don't love

As hard as I do no, no, no

Maybe I think too much,

I just don't wanna lose you touch

Baby won't you just humor me(all I wanna know)

Chorus:

Baby all I wanna know,

Girl tell me if it's so

Baby all I wanna know is you need me

(yeah, yeah)

All I wanna know girl tell me if it's so

Baby all I wanna know is you need me

I don't want to suffer

The pain of a broken heart

Cause I've decided I wanna be

Where you are (yes I do)

All I want is you to ease my mind,

Say everything is just fine,

Your love is mine all mine

(Chorus 2x)

Dance Break Down

(Chorus)

Baby all I wanna know baby if you need me

all I wanna know baby can you tell me

It's alright

(Chorus Out)
