[Father MC]

Yeah, Father MC at ya

This time I need somebody to give me what I want

And what I want is your affection

[Unknown Female Singer]

All I want is affection (all I really want)

Baby please no rejection (all I need)

All I want is affection (all I really want)

Baby please no rejection (all I need)

[Father MC]

Now it's a pain to my remy cos I need someone true

My guard is down so baby come to my rescue

And show me that you wanna love me for who I am

See we could be flam and I can even meet your fam

I'm not an everyday but anyway I'll parlay

And I give good love almost everyday except for

Sunday

That's my rest day, I'm getting ready for the Monday

So give me your affection

[Unknown Female Singer]

All I want is affection (all I really want)

Baby please no rejection (all I need)

All I want is affection (all I really want)

Baby please no rejection (all I need)

[Father MC]

Now baby, baby, baby or miss, miss, miss

Can I get a ? because I didn't disrespect

I use my intellect when I hit rock bottom

I look at your legs and say hey sugar you got 'em

The way that you're walkin is buggin me hey love

Look at me, eye to eye, let us get a contact

Do I have to play the back just because you're off that

I wanna show you that I feel good

And let me give you a taste of my man hood

You see I'm bleedin inside on the loss of the effect

Do I have to sweat you to get you my ?

Cos I'm not into sweatin so I guess that I'm gone

If you knew what you were missing you would beg to be
on
Cos I'm the type of brother that's a typical type
Don't believe in hype but I believe in love at first sight
So be my fantasy, lover and flavor of affection

[Unknown Female Singer]

All I want is affection (all I really want)
Baby please no rejection (all I need)
All I want is affection (all I really want)
Baby please no rejection (all I need)

[Unknown Male Singer]

All I want is a little ?
All I want is you
All I want is a little ?
All I want is you
