Here lately I don't see enough of you.  
I'm thinking maybe you don't love as hard as I do  
Maybe I think too much, I just don't wanna lose your  
touch  
Baby want you just humor me (all I wanna know)

*[Chorus:]*

Baby all I wanna know, girl tell me if it's so  
Baby all I wanna know is you need me (yeah, yeah)  
All I wanna know girl tell me if it's so baby all I wanna  
know is you need me

I don't want to suffer the pain of a broken heart  
Cause I've decided I wanna be where you are (yes I do)  
All I want is you to ease my mind, say everything is just  
fine,  
your love is mine all mine

*[Chorus 2x]*

*[Dance Break Down]*

*[Chorus Out]*
