*[Chorus:]*

Since I met you, I never had it so good  
You bring joy to my life, like I knew you would

Baby, I know you're wondering  
If when I say I love you, I'm for real  
And lady, no need to worry  
Cause no one can replace the way you make me feel  
And I know and you know that when we get together  
Everything's gonna be alright  
And I just can't wait till I get with you the next day  
Look in your eyes and hold you tight

*[Chorus:]*

Since I met you, I never had it so good  
You bring joy to my life, like I knew you would  
You're the only one who really understood  
With you in my life I never had it so good

The way you walk and talk, really sets me off  
To fall in love all over again

Girl, you got me on fire, uh-uh-uh-oh-yeah  
Your love's like a rollercoaster, hoo-hoo-hoo

*[Chorus]*

I can't imagine just how it would be  
If you were not here to comfort me  
No one in the world compares to my girl  
I wanna scream it out loud  
You make me so proud

*[Rap]*

When I met ya, you said I'd never forget ya  
Now I know why all the fellas just sweat ya, I betcha  
They might have more cheddar than me  
But they ain't loving you better than me what  
No doubt for your love I'll go the whole route  
Get your girls, I'll get my boys  
We can go out, Tilky, Stevie, Ryan, Clay and T.J.

Never had it so good until you came my way

*[Chorus]*
