Dirty nights
Dirty nights

I don't wanna waste the night
Now the party's just begun
I jut wanna spend another dirty night in Berlin
I just wanna live my life
I just wanna have some fun
I jut wanna spend another dirty night in Berlin
[x2]

I'm on a mission to the lights
Keep the city, keep the sights
Only one place that I know
Where I can really let it go
Yes I've been around the world
I'm a seven figure girl
Fly me straight into the club
Let's get dirty in Berlin

I don't wanna waste the night
Now the party's just begun
I jut wanna spend another dirty night in Berlin
I just wanna live my life
I just wanna have some fun
I jut wanna spend another dirty night in Berlin

She's on a mission to the lights
Keep the city, keep the sights
Only one place that she know
Where she can really let it go
Yep she's been around the world
She's a seven figure girl
Fly her straight into the club
Let's get dirty in Berlin

Let's get dirty in Berlin

I don't wanna waste the night
Now the party's just begun
I jut wanna spend another dirty night in Berlin

I just wanna live my life
I just wanna have some fun
I jut wanna spend another dirty night in Berlin

Dirty nights, dirty nights in Berlin
Dirty nights, dirty nights in Berlin
Dirty nights, dirty nights in Berlin
I jut wanna spend another dirty night in Berlin

Dirty nights

I don't wanna waste the night
Now the party's just begun
I jut wanna spend another dirty night in Berlin
I just wanna live my life
I just wanna have some fun
I jut wanna spend another dirty night in Berlin

Dirty nights, dirty nights in Berlin
Dirty nights, dirty nights in Berlin
Dirty nights, dirty nights in Berlin
I jut wanna spend another dirty night in Berlin
I jut wanna spend another dirty night in Berlin
