Those who went through desert  
passed never ending forever  
they know my dream will come true  
as i sing to you:

C'est ma vie  
Je dis oui  
No more rain around, i know i have found  
Everlasting  
Love for life, love of mine ...

Time will give the answers  
for all your great tribulations  
soon we'll be playing in the sun  
and feel like one

C'est ma vie  
Je dis oui  
No more rain around, i know i have found  
Everlasting  
Love for life, love of mine, love that shines

C'est ma vie  
Je dis oui  
No more rain around, i know i have found  
Everlasting  
Love for life, love of mine, love that shines
