I know that I've been mad in love before
And how it could be with you
Really hurt me baby, really cut me baby
How can you have a day without a night
You're the book that I have opened
And now I've got to know much more

The curiousness of your potential kiss
Has got my mind and body aching
Really hurt me baby, really cut me baby
How can you have a day without a night
You're the book that I have opened
And now I've got to know much more

Like a soul without a mind
In a body without a heart
I'm missing every part
