Comes a rainstorm, put your rubbers on your feet  
Comes a snowstorm, you can get a little heat  
Comes love, nothing can be done

Comes a fire, then you know just what to do  
Blow a tire, you can buy another shoe  
Comes love, nothing can be done

Don't try hiding 'cause there isn't any use  
You'll start sliding, when your heart turns on the juice

Comes a headache, you can lose it in a day  
Comes a toothache, see your dentist right away  
Comes love, nothing can be done

Comes a heatwave, you can hurry to the shore  
Comes a summons, you can hide behind the door  
Comes love, nothing can be done

Comes the measles, you can quarantine a room  
Comes a mousey, you can chase it with a broom  
Comes love, nothing can be done

That's all, brother, if you ever been in love  
That's all, brother, you know what I'm thinking of

Comes a nightmare, you can always stay awake  
Comes depression, you may get another break  
Comes love, nothing can be done  
Nothing can be done

Comes a rainstorm, put your rubbers on your feet  
Comes a snowstorm, you can get a little heat  
Comes love, nothing can be done

Comes a fire, then you know just what to do  
Blow a tire, you can buy another shoe  
Comes love, nothing can be done  
When your heart turns on the juice

Comes a headache, you can lose it in a day

Comes a toothache, see your dentist right away  
Comes love, comes love  
Comes love, nothing can be done
