Once upon a time in a kingdom far away,
history tells a story of a prince born of slaves.
In a time when sorrow filled the air with pharaoh's
death decree,
his mother gave him to the river to find his destiny.

As he grew to manhood in a palace filled with gold,
He could thought of slavery in his soul.
Setting out to take a journey,
with the truth locked deep within,
He heard the words of wisdom floating on the desert
wind.

I'll be with you through the fire,
take my hand and part the sea.
If you trust me, I will lead you,
lead you to your destiny.
(listen)

Heaven's magic staff put the power in his hands.
He let his people free to lead them to better land.
Though trouble seemed follow and pursue him to the
end,
He found the strength he needed when he heard the
words again.

I'll be with you through the fire,
take my hand and part the sea.
If you trust me, I will lead you,
lead you to your destiny.
Now the clouds gone, sun is shining,
he will set my people free.
If you trust me I will lead you,
lead you to your destiny.

Don't be deceived,
this is more than just a story,
if you believe, Heaven awaits you with all its glory.
When the odds are stacked against you and your
tempted with dismay,
like the prince who heard the calling,

you can hear him say:

I'll be with you through the fire,
take my hand and part the sea.
If you trust me, I will lead you,
lead you to your destiny.
Now the clouds gone, sun is shining,
he will set my people free.
If you trust me I will lead you,
lead you to your destiny. x3
