Without Faith
It's impossible to please the Lord, to please the Lord
Without Faith it's just impossible to please the Lord
To please the Lord
Faith that can move mountains
Faith that can calm the raging sea
Oh, Faith that believes in Jesus
Faith that set the captives free

Faith, without it's impossible to please the Lord

Without Faith
It's impossible to please the Lord, to please the Lord
Without Faith it's just impossible to please the Lord
To please the Lord
Faith that can move mountains
Faith that can calm the raging sea
Oh, Faith that believes in Jesus
Faith that set the captives free

Faith, without it's just impossible to please the Lord
Lord, I need faith
Lord, I need faith, yes I do

Lord, I need faith
Lord, I need faith
To bring me out, Lord I need it
To remove all the doubt, Lord I really need it
Lord I need faith
Please give me faith
Without it's just impossible to please the Lord

(Bridge with Take 6 harmonizing)

(I need) Faith that can move mountains
(I need) Faith that can calm the raging sea
Oh, Faith that believes in Jesus
Faith that set the captives free

Oh, oh, oh
Faith, without it it's impossible

Repeat x 2

Lord, I need faith (Lord I need faith)

Lord, I need faith (Please give me faith)

Lord, I need faith (Lord I need faith)

Lord, I need faith (Faith, Faith, Faith)
