[Chorus:]

He never sleeps,
He never slumbers
He watches me both night and day
(Day and night / night and day)
He never sleeps,
He never slumbers
The reason I know - He told me so

I don't to worry, my soul's in His care
I don't have to worry, He'll always be there
I know that He's watching wherever I go
I know that He's watching, He told me so

[Chorus:]

He never sleeps,
He never slumbers
He watches me both night and day
(Day and night / night and day)
He never sleeps,
He never slumbers
The reason I know - He told me so
