How sweet it is to be loved by You, loved by You
How sweet it is to be loved by You

I needed the shelter of someone's arms
There You were
Needed someone to help me through my ups and
downs
There You were

With sweet love and devotion
Deeply touching my emotion
I just have to stop and thank my Jesus
I just have to stop and thank my Jesus

How sweet it is to be loved by You, loved by You
How sweet it is to be loved by You

I close my eyes at night
Wondering where would I be without you in my life
Everything I did was such a bore
Everywhere that I went I found I had been there before

You brighten up for me all of my days
With a love so sweet in so many ways
I stop and thank my Jesus
I just have to stop and thank my Jesus

How sweet it is to be loved by You, loved by You
How sweet it is to be loved by You
How sweet it is to be loved by You, loved by You
How sweet it is to be loved by You

How sweet it is to be loved by You, loved by You
How sweet it is to be loved by You, so sweet
How sweet it is to be loved by You, loved by You
How sweet it is to be loved by You

How sweet it is to be loved by You, loved by You
How sweet it is just to be loved by You
Loved by You, yeah
