One, Two, Or, Three...  
Maybe A Hundred Times, She'd Say A Thousand Times  
That My Insecurity Was Showing Out Over And Over  
Again  
And The Problem Wasn't Her (It Was Me)  
And The Fact That I Never Trusted You  
And I Know That Must Have Disgusted You  
But I Had To Hurt 'Til I Learned

[Chorus:]  
More than ever...  
After what I been through  
All I really know is that I need you  
More than ever...  
Standing here in the rubble  
I know that I'm in trouble  
I need you more than ever (never ever)

(Never) Do It Again... But I Did It Again  
And I'm Standing Right Here In This Place Again

Hoping That You Would Forgive My Sin...  
I Don't Really Care 'Bout The Bridges I Had To Burn  
I Just Chalk Them Up As Lessons I Had To Learn...  
There's  
One Thing, That's Pretty Clear To Me  
With You I Have All Things Without You I Have Nothing

[Chorus]  
Just Like Oceans Need A Shoreline  
So They Won't Just Spill Away  
Just Like The Moonlight Needs The Sunrise  
So The Night Can Turn To Day  
Just Like The Flowers Need The Showers  
So Their Beauty Won't Decay

That's How I Feel You  
That's How I Want You  
That's How I Need Your Love... Today

[Chorus]
