its actually a sexual thing

i dont wanna have to bring this up
i am getting sick of all your crap
i dont love you anymore
what do ya say what do ya say
wha ha ha oh wayo
well i dont wanna have to bring this up
i am getting sick of all your crap
i dont love you anymore
what do ya say what do ya say
i dont wanna tell you youre a whore
i cant believe the shit you said at my front door
i dont love you anymore
what do ya say what do ya say
wha ha ha oh wayo
well i dont wanna tell you youre a whore
i cant believe the shit you said at my front door
what do ya say what do ya say
