soggy steps on the floor
leading from the torture of the bedroom
soggy dreams in the mirror
under puffy eyes cleanex on the dresser
roses taped to your windshield
roses taped to your windshield
roses taped to your windshield
slowly dying
slowly dying yeah, yeah
stay in bed for a week
untill our sockets turn black
take a zoloft settle into the couch
tissues all over the floor and in your lap
in your lap cartoons on the tv
on tv again
there's a hole so deep it runs right through my soul
so deep the ball of my foot cant touch the ground
shakey knees, and dissarray
i wanna take your through the holes ive been sinkin
soggy steps on the floor
leading from the torture of the bedroom
soggy dreams in the mirror
under puffy eyes cleanex on the dresser
roses taped to your windshield
roses taped to your windshield
roses i taped to yoru windshield
slowly dying
slowly dying yeah, yeah
stay in bed for a week
until our sockets turn black
take a zoloft settle into the couch
tissues all over the floor and in your lap
in your lap cartoons on the tv
on tv again
there's a hole so deep in runs right through my soul
so deep the ball of my foot cant touch the ground
shakey knees, and dissarray
i wanna take your through the holes ive been sinkin
its on tv
the one where square john hero gets the girl
he wrestles pluto and some monsters too

the order is true love
determination is impressive but i know ill never find it
water weighs me down and fills my shoes
fills my shoes yeah!
water weighs me down and fills up my shoes yeah
water weighs me down and fills up my shoes yeah
water weighs me down and fills up my shoes yeah
water weighs me down
