She performs a part  
Straight from the heart  
Like shes being graded  
It's 8 o' clock  
right on the dot  
but shes already five past hated  
boys look at my butt  
No, Im not a slut but Ill fuck you in the bathroom  
Just gratify my image  
In a no end lover's scrimmage  
of a party flower in bloom

Hey partygirl, show me how to move yeah  
Shake!  
Hey partygirl, show me how to move yeah  
Shake!  
Hey partygirl, yo partygirl your did get no attention  
Shake!  
Hey partygirl, you've made it with too many guys to  
mention  
She thinks every guy should see her  
And every girl wants to be her  
When she makes an entrance in a room  
In the flatbed of a truck  
Just one more stupid fuck  
To clear away her clue  
And perhaps a few more beers  
And she will not hear the cheers from the older guys in  
school  
Hey babe, give it a rest  
I've heard that you're the best  
But it doesn't make me think you're cool

Hey partygirl, show me how to move yeah  
Shake!  
Hey partygirl, show me how to move yeah  
Shake!  
Hey partygirl, yo partygirl you did get no attention  
Shake!  
Hey partygirl, you've made it with too many guys to  
mention

Hey partygirl, show me how to move yeah  
Shake!  
Hey partygirl, show me how to move yeah  
Shake!  
Hey partygirl, yo partygirl you did get no attention  
Shake!  
Hey partygirl, you may have been with too many guys  
to mention  
Shake!
