traffic tickets get me down
make me feel like i'm a clown
speed limit, 25
no left turn i'm in a hurry

see the light see the fine
we're the ones that you don't like
do you know how fast you were going?

no left turn, know what's coming
see the turn and then they run it
do you know how fast you were going?

do you know i pay my taxes: on time
do you know that pays your salary: oh yeah

try and smile and nod like they do on tv
so what you got against me?!
okay okay then
i try my best to comply
you know i try to be: a law-abiding guy

you wanna make me slow down
you wanna make me slow down
you wanna make me slow down
but i'll never slow down!

traffic tickets get me down
make me feel like i'm a clown
speed limit, 25
no left turn i'm in a hurry

see the light see the fine
we're the ones that you don't like
do you know how fast you were going?

no left turn, know what's coming
see the turn and then they run it
do you know why i stopped you?

do you know i pay my taxes: on time

do you know that pays your salary: oh yeah

try and smile and nod like they do on tv

so what you got against me?!?

okay okay then

i try my best to comply

you know i try to be: a law-abiding guy
