I said, Hey Darling, do you wanna dance?
You said, Hey Baby, do you think you got a chance?
I said, Hey Honey, care to Doe - C - Doe?
You said, well Cowboy, I (just) don't know.

I said, Hell Darling, sakes alive.
You're never gonna know if you don't give it a try!

Come on baby, come dance with me,
It's the only way to find out if I'm type A or B.
(Try to find out if I'm type A or B.)
Get those boots out from under that table,
Take them on the dance floor if you're (willing and)
able.
Cause that's where this Cowboy (country boy) will let
you know,
If your 2 step needs some get up and go!

(chorus)
Come on Baby come dance with me,
Give it one try and then you will see.
I'm the one you've been waiting for,
Standing out here on the old dance floor.
Stand up, walk out (up), and take my hand,
Cause Darling you just found your man.

Come on Baby come dance with me,
It's fun, it's easy, and it's free.
Two step, three step, cheek to cheek,
Hold me tighter cause my knees are weak.
Thank you Darling?for this dance,
Do you think now maybe that I gotta chance?
(Now do you think maybe I gotta chance?)

You said, Sorry Cowboy (but) I have to go.
I said, Hey Darling please don't hurt me so.
You said, Hey Honey you wanna come along?
I said, only (Baby) if you let me sing this song.
I said, Hell Darling, Honey, Baby, sakes alive,
I'm glad you found out, and gave it (me) a try!

repeat chorus twice

Come on Baby come dance with me,
Give it one try and then you will see.
I'm the one you've been waiting for,
Standing out here on the old dance floor.
Stand up, walk out (up), and take my hand,
Cause Darling you just found your loving man
