[Mr. Lil One]

Jack "The Ripper", strippin mothafuckas for their egos
Peace to all the bald heads, mobbn in their regals
Need no mothafucka to be tellin me I'm sick!
I feel it everyday with every fuckin word I say
I paid my respects to the dead that be cursed
Oh what you disagree, it's murder in the first
It's hurts to be livin, though I give it all I got
Wanna see me shot, but I guess they never thought
I'ma a genius, we don't get along
Everytime we bump, when we dumpin on a song
Feenin for my shit, my wisdom in my word
Lil's new shit is the bomb, ya heard
Heard about the heat, I've been bringin to the beat
I bet that you've been hatin, wishin it never hit the
street
Eat a dick, lick nuts, suck balls and take that
It's wicked ol' Lil, I bet you hate that

[Chorus: Mr. Lil One]

Mothafuckas talk shit and they always wanna creep
Remember mothafucka you be talkin in your sleep
It's Mr. Lil One and I brought my homie Young
Stop, to the death leavin mothafuckas dead
[2x]

[Youngstah]

Now I'm creepin through a war zone, in every single
block
I'm hearin gun shots and it's all a murder plot
They're tryin to take me for my life, this Sicko can't be
nothin nice
I got my finger on the trigger, ain't no time for thinkin
twice
Now I'm dumpin out the clip and yo I'm aimin for the
dome
And I'm ready to make the cemetry your home
You can bring who you want, but you're fuckin wit the
baddest
It's the Lil and the Youngstah, leave em R.I.P. status
We be steppin and collectin all them bodies talkin shit

Now it's time to lead aggression with a fuckin Smith
and Wesson
When I'm fuckin wit the sickest it's a deadly
combination
2 trigger happy gangstas with no clue or hesitation
I'ma do my evil dirt and I'ma put in on my work
All the way to the death from the mothafuckin birth
I'ma snatch your fuckin life and I'ma show you what it's
worth
A 6 foot hole in a pile of dirt

[Chorus]
