What am I to you
Another crime to commit
Piece of gold for a kiss
Just a ghost

What am I to you
Another shrill for your eyes
Another brilliant disguise
Just a ghost

Won't stop now
Don't you think I can see right through your lips
Parading your pearls
But you found love
If you're going to shoo
Won't you take me to the garden
Where I can fall

What am I to you
Another break for your fall
Another news on your wall
Just a ghost

All I am to you
Is your silent melody
Your broken reverie
Just a ghost

Won't stop now
Don't you think I can see right through your lips
Parading your pearls
But you found love
If you're going to shoo
Wont you take me to the garden
Where I can fall

All I am to you
Is your vanity scroll
All I am to you
Is your statue of stone
All I am to you

Is your desire for more
Desire we made
Of endless regret
Self righteous love
Your crime to commit
