And she says to me, "I want you to die.
I want you to pull me under
The places in between
When you were mine"
And when I was still a sucker

The ring on my finger
Is pulling me down
And you could die in spite of air
Just show me I'll be able
To lay here again
I want to sleep forever

Until we wake up

Burn burn fast asleep, I'm letting this go
Give up sight of me, don't think so
Our hearts won't be the same
Our hearts won't be the same

You'll never know
I'll never show
You'll never know what this sentence says
When you drop the 's'
You change the sex
You change the sense
You change the princess to something less; into two
princes

Scream like the anchor
That's pulling me down
That's straining to keep me under
Just show me I'll be able
To break it again
I want to sleep forever,

In this house the walls are the same
Paint them red because they're listening

Burn burn fast asleep, I'm letting this go
Give up sight of me, don't think so

Our hearts won't be the same
Our hearts won't be the same
Burn burn fast asleep.
You lost sight of me.

Our hearts won't be the same
Our hearts won't be the same
Our hearts will never change
Our hearts won't be the same
No.
