We can talk for hours  
Just to see what words can do  
Your consonants and vowels  
Will build a fixed excuse

You say maybe,  
I say baby,  
Won't you just make up your mind  
All your reasons,  
Like the seasons,  
Couldn't be more cut and dried.

I must admit,  
This is exactly what we need.  
A place to learn and fail,  
But I fail to learn to breathe.

I say maybe,  
You say baby,  
Why do I have to decide?  
All my reasons,  
Like the seasons,  
Couldn't be more cut and dried...  
No.

And it's running, pushing,  
Driving too far,  
Turning to light to get lost in the dark.  
Because hours of trying to see,

And it's true,  
It was you,  
Who can make this all alright...  
And it's true,  
It was you,  
Who can make this all alright.

All your reasons,  
Like the seasons,  
Couldn't be more cut and dried.
