In the summer
I want to
Get stoned and
Fall in love

We are sleeping giants
Underground kings
We are fiends
This is night of the creeps

Do you feel it when
We dance
The world stands still Oh, oh

To us and our long hair
Let's begin summer sex and swimming
Almost crashed just to look at you
Almost took enough to get me through

Do you feel it when
We dance
The world stands still Oh, oh
Do you feel it when
We fall
The world stands still Oh, oh

You're all I talk, you're all I eat
You're all I taste, you're all I breath

Do you feel it when
We dance
The world stands still Oh, oh
Do you feel it when
We fall
The world stands still Oh, oh
