Tongiht  
Fall into the space  
Of the time we spent  
Wasting time  
Never to regret  
All the times we were able

Please stop  
I'll never be able  
To speak  
Out of our control  
If I'd known this all along  
We would be happy, but  
You know everything  
Take my wings again  
If you'd felt this all along  
We would be happy

Tongiht  
Fall into the space  
Of the time we spent  
Wasting time  
Never to regret  
All the times we were able

Please stop  
I'll never be able  
To speak  
Out of our control  
If I'd known this all along  
We would be happy, but  
You know everything  
Take my wings again  
If you'd felt this all along  
We would be happy

Tongiht  
Fall into the space  
Of the time we spent  
Wasting time  
Never to regret

All the times we were able

I stare straight into the sky  
Search for familiar signs  
You wanted this to be  
Our December night  
I stare right into your eyes  
Search for familiar signs  
The sun is coming up  
And will end our night

Fall into the space  
Of the time we spent  
Wasting time  
Never to regret  
All the times we were able
