"EDGED IN BLUE"

I've cried enough tears to fill up an ocean,
Surely you see that my world's been broken?
Here I am, where are you?
Help me please, pull me through.
Here I am, where are you?
All my days are edged in blue.

You made up your mind and nothing can change it,
You want to be free but I can't rearrange it.

Here I am, where are you?
Tell me please, what to do,
Here I am, broken into,
All my days are edged in blue.

I'd go anywhere, if I thought you'd be there,
'Cos I've made up my mind that's where I belong.
I've traveled the world 'cos I couldn't be told,
Told by my heart that you really had gone.

I'd go anywhere, if I thought you'd be there,
'Cos I've made up my mind that's where I belong.
I've traveled the world 'cos I couldn't be told,
Told by my heart that you really had gone.

Yeah....

Our lines got crossed through all things unspoken.
A tangle of knots not easily opened,

Here I am, where are you?
Help me please, pull me through.
Here I am, where are you?
All my days are edged in blue.
Here I am, where are you?
Help me please, pull me through,
Here I am, where are you?
Can't you see I'm edged in blue.
Ohhh.....
Ohhh...
