THERE MUST BE A WAY

There isn't a place I can go,

a place where you won't be missed

for there's not a place that I know

where memories of you don't exist.

But there must be a way to help me forget that we're  
through,

there must be a way to stop me from dreaming of you.

There must be a star in the skies

that isn't reflecting your eyes.

I just don't know how to disguise how much I miss you.

There must be a song that doesn't remind me of you,

there must be a kiss to thrill me like yours used to do.

I looked for a way to be happy, happy with somebody  
new.

Oh, there must be a way but I can't find the way without  
you.
