Chorus:(50 cent)

Man I watch the sun go up and come down, saying what if

Man I watch the tide roll in and roll out, saying what if  
Homie I play the blocks trying to get my packs off,  
saying what if

Man if I get a shot I could make it to the top, dam what if

Verse 1(50 cent):

If I got on some pretty boy shit like puffy,  
Niggaz in the hood man they jus wouldn't love me.  
If I wore a suit everyday like Jay Z,  
Niggaz would think I bumped my fucking head and went crazy.

If I put diamonds in my teeth like Baby,  
I wouldn't stand a chance to try and sell like Shady.  
If I put out bullshit joints like A Z,  
everychance Niggaz get they try and play me,  
but I move around wit a little 380.

A Nigga try to stunt, a Nigga get spray B.  
If I smoke weed all day like Snoop Do,  
I'd see the world different through dilated pupils.  
If I bust dance moves on you like Usher,  
Niggaz would say 50 that ain't Gansta fuck ya.  
Man I'mma jus keep doing what I do,  
cause Niggaz can't do me better than I do.

Chorus(50 cent):

Verse 2(50 cent):

What if I had Blockbuster flicks like Will Smith,  
and all the back pack Niggaz love me like Mose Deaf,  
I'd prolly be a cool as Nigga like Ice Cube.  
Picture me in a flick right now, looking so cool.  
What if I was a little kei Nigga jus laid back,  
Hustlin keep a Homie around, somebody around to

hold a Gat.

Man what if Hallie Barry was my next baby's mom,  
shit I'd get that child support up wit no problem.  
If I caught a case and jumped bail, I'd get caught  
cause I'm that Nigga everbody know from New York.  
What if I was a new rap Nigga you didn't know,  
you'd be sayin "damn that kid got a sick flow".  
What if I jus Cruized through your hood on 22's,  
bumping  
Curtis Matfield or Marvin so smooth  
and if I let the top down on the ???  
that would make you sick to your stomach I'm sure.

Chorus(50 cent):
