I was lonelier than Kunta Kinte at a Merle Haggard  
concert that night I strolled

on into Uncle Limpy's Hump Palace lookin' for love. It  
had been a while. In fact,

three hundred and sixty-five had come and went since  
that midnight run haulin' hog

to Shakey Town on I-10. I had picked up this hitchhiker  
that was sweatin' gallons

through a pair of Daisy Duke cut-offs and one of those  
Fruit Of The Loom tank-tops.

Well, that night I lost myself to ruby red lips, milky  
white skin and baby blue eyes.

Name was Russell.

cryin'

Well I find it's quite a thrill

When she grinds me against her will

Well, faster than you can say, "shallow grave", this  
pretty little thing come

up to me and starts kneadin' my balls like hard-boiled  
eggs in a tube sock. Said

her name was Bambi and I said, "Well that's a  
coincidence darlin', 'cause I was

just thinkin' about skinnin' you like a deer." Well she  
smiled, had about as much

teeth as a Jack-O-Lantern, and I went on to tell her how I  
would wear her face

like a mask as I do my little kooky dance. And then she  
told me to shush. I guess

she could sense my desperation. 'Course, it's hard to  
hide a hard-on when you're

dressed like Minnie Pearl.

So, Bambi's goin' on about how she can make all my  
fantasies come true. So I says,

"Even this one I have where Jesus Christ is  
jackhammering Mickey Mouse in the

doo-doo hole with a lawn dart as Garth Brooks gives  
birth to something resembling a

cheddar cheese log with almonds on Santa Claus's  
tummy-tum?" Well, ten beers,

twenty minutes and thirty dollars later I'm parkin' the  
beef bus in tuna town if

you know what I mean. Got to nail her back at her  
trailer. Heh. That rhymes. I have

to admit it was even more of a turn-on when I found out  
she was doin' me to buy

baby formula.

Day or so had passed when I popped the clutch, gave  
the tranny a spin and slid

on into The Stinky Pinky Gulp N' Guzzle Big Rig Snooze-  
A-Stop. There I was browsin'

through the latest issue of "Throb", when I saw Bambi  
starin' at me from the

back of a milk carton. Well, my heart just dropped. So, I  
decided to do what any

good Christian would. You can not imagine how  
difficult it is to hold a half gallon

of moo juice and polish the one-eyed gopher when  
your doin' seventy-five in an

eighteen-wheeler. I never thought missing children  
could be so sexy.

Did I say that out loud?
