Well it's happenin' agai-ain  
Like I always thought it wou-ould  
Mad men dancing in the streets and fire drains

And it's a strange infatuation  
Takin' off across the nation  
Crazy darling combination  
Since it's one last move and it's all over

Gimme some lovin' - that's what I need  
Gimme little lovin' - makes me feel right  
Gimme some lovin' - that's the way  
Gimme little lovin' - makes me say -

It's spreading everywhere  
Showing here and growin' there  
But there's no time for condemnation just to wait

And it's an eary indication  
Of things that's turning out to be-ee  
A destruction to distraction  
'Cause it's one last move and it's a goodbye

You know why we forgot to say  
Just gimme some lovin' - it's what I need  
Gimme little lovin' - makes me feel right  
Gimme some lovin' - that's the way  
Gimme little lovin' - makes me feel light

Now - before-ore-ore - again  
On the streets tonight

And we're wakin' up every day-ay  
A-lookin' this way, lookin' that way  
Wonderin' who will come and end this game  
Of one more move, but it's all over

Gimme some lovin' - it's what I need  
Gimme little lovin' - makes me feel right  
Gimme some lovin' - that's the way  
Gimme little lovin' - makes me feel light

Gimme some lovin' - makes me feel right  
Gimme some lovin' - makes me feel right  
Gimme some lovin'  
Yeah you gotta gimme some lovin' - it makes me feel  
right  
Gimme some lovin' - makes me feel right  
Gimme some lovin' - makes me feel right  
Gimme some lovin'  
Yeah you gotta give me some lovin' - makes me feel  
right-a
