You are faith and conviction
You are the national in a sense
Don't struggle for reasons like the northern mal
contents

It's a crime
A shame

You are all backbone and labor
To which you're fatefully resigned
Don't question decisions
You are loyalty defined
Don't struggle with treason until you are left behind

It's a crime
A shame
There is no hope in Archibald today

Defend yourself
Defend your honor
You've got a right

It's a crime
A shame
There is no hope in Archibald today

It's a crime
A shame
There is no hope in Archibald today

No way
