Song by Silver Leaf Quartet

Come on people, got to get on board
Train is leavin' and there's room for one more
God, don't listen to the Devil, he got ways to move you
This train don't carry no smokers
This train...

Well, come on people, cause it's startin' to rain
Get on board, it's the gospel train, yeah
Don't listen to the Devil now
People, don't listen to the Devil
Satan will fool you
Satan will fool you
I said Satan will fool you
Well, this train don't carry no smokers
This train
This train
Wooo
Wooo
Wooo!

Come on people, get on board
Train is leavin' and there's room for one more
Just trust in the Lord
Wooo
Wooo!
