So scream  
I heard about your message  
And how it reeks of your indifference,  
It bleeds horizontal straight from your wrists  
(So scream louder now)

I'm bound to come around about  
(I'm bound to come around)  
Well can't you  
Can't you feel it

Rollin' off your lips  
Tensing up your shoulders  
Come on  
Say it

Well it's love  
(It's love)  
Make it hurt  
(I deserve it)

Well it's love  
(It's love)  
Make it hurt  
(I deserve it)

Well it's love  
It's love  
It's love  
Make it hurt

I said I used the inconsistencies  
To undress the machine  
You're the poster boy  
The selling point  
The focus for the new campaign  
(Something has to be done)

I'm bound to come around about  
(I'm bound to come around)  
Can't you  
Can't you feel it?

Rollin' off your lips  
Tensing up your shoulders  
Come on...

Well it's love  
(It's love)  
Make it hurt  
(I deserve it)

Well it's love  
(It's love)  
Make it hurt  
(I deserve it)

Well it's love  
It's love  
It's love  
Make it hurt

The keys to the castle  
(are right where I left them)  
The princess walked in  
Just to take more attention

'Cause after all  
Well isn't that all that I've been after?  
And after all  
Well isn't that all that I'm after?  
You're so

(No way out)  
I give up in you  
I give up in you  
(No way out)  
I give up in you

(No way out)  
Well I give up in you  
I give up in you  
(No way out)  
I give up in you.

I wanted you  
For nothing more  
Than hating you  
For what you were

If that's what  
You wanted to hear,  
(Well if that's what  
you wanted to hear)

I wanted you  
For nothing more  
Than hating you  
For what you were

(Don't leave, leave)  
If that's what  
You wanted to hear  
(If that's what  
you wanted to hear)

I wanted you  
For nothing more  
Than hating you  
For what you were

(Don't leave, leave)  
If that's what  
You wanted to hear  
(If that's what  
you wanted to...)

(It's love, it's love)  
I wanted you  
For nothing more  
(Make it hurt, I deserve it)

Than hating you  
For what you were,  
(If that's what  
you wanted to hear)

That's what  
You wanted to hear,  
(To hear)  
That's what  
You wanted to hear.  
(If that is how we let it burn)
