Well it's getting colder and you're getting distant and I just keep thinkin that I never meant it to be like this(to be like this) You know what comes next(so do I) YouÂ're begging for a way to gracefully bow out and say goodnight

It's worse than you think On your way home you should have known you never listen to me IÂ'm only complaining to keep myself busy, sweetie IÂ'm only complaining to keep myself busy, sweetie

I canÂ't say I blame you but I wish that I could IÂ'm sick of writing every song about you

Don't call my name out your window, I'm leaving (I'm sick of writing every song about you) Don't call my name out your window, I'm leaving (I'm sick of writing every song about you) Don't call my name out your window, I'm leaving (I'm sick of writing every song about you) Don't call my name out your window, I'm leaving (I'm sick of writing every song about you) Don't call my name out your window, I'm leaving (I'm sick of writing every song about you) Don't call my name out your window, I'm leaving (I'm sick of writing every song about you) Don't call my name out your window, I'm leaving (I'm sick of writing every song about you)

Don't call my name out your window, I'm leaving (I'm sick of writing every song about you) Don't call my name out your window, I'm leaving (I'm sick of writing every song about you) Don't call my name out your window, I'm leaving (I'm sick of writing every song about you) Don't call my name out your window, I'm leaving (I'm sick of writing every song about you) Don't call my name out your window, I'm leaving (I'm sick of writing every song about you) Don't call my name out your window, I'm leaving (I'm sick of writing every song about you) Don't call my name out your window, I'm leaving (I'm sick of writing every song about you) Don't call my name out your window, I'm leaving (I'm sick of writing every song about you) Don't call my name out your window, I'm leaving (I'm sick of writing every song about you) Don't call my name out your window, I'm leaving (I'm sick of writing every song about you) Don't call my name out your window, I'm leaving (I'm sick of writing every song about you) Don't call my name out your window, I'm leaving Don't call my name out your window, I'm leaving Don't call my name out your window, I'm leaving
