Please don't leave me  
without sayin' goodbye  
without sayin' goodbye

You and I cold february night  
it's been half an hour  
taking sweet time  
saying our goodbyes  
one minute more

the best day of my life  
is all thanks to you  
precious remembrance  
simple rainy days or february

few scenes from my life  
or moments mean more to me  
than our fine nights  
i remember like yesterday  
the time of my life

please don't leave me  
without sayin' goodbye  
without sayin' goodbye

please don't leave me  
without sayin' goodbye  
without sayin' goodbye

Lets travel back in time  
to 1299  
at the stroke of midnight  
holding you tight  
your body and mine  
in february

few scenes from my life  
or moments mean more to me  
than our fine nights  
remember like yesterday  
the time of my life

please don't leave me  
without sayin' goodbye  
without sayin' goodbye

please don't leave me  
without sayin' goodbye  
without sayin' goodbye

please don't leave me  
without sayin' goodbye  
without sayin' goodbye

please don't leave me  
without sayin' goodbye  
without sayin' goodbye

let's travel back in time
