All our secrets, they are deadly trouble
Dribble noose knot around your head
Your spotless instincts are valid
We coexist

Got 26 days to work with
(Got 26 days)
We got 26 days to work with
(It moves, it moves, it moves)
We'll see what all gets done

I'm an addict for dramatics
I confuse the two for love
You can tell me that you don't bend

Liar if we're keeping score
(Liar)
We're all choir boys at best
(Intrusive and arrogant)
Liar if we're keeping score
(Liar)
We're all choir boys at best
(Intrusive and arrogant)

Got 26 days to work with
(Got 26 days)
Then back on that island
That you swear by
You barely can't afford

It's still a question of
How long will this hold?
Well, is it any different
([Incomprehensible])
Now that we are home

Don't you know it's not here, not now
(It moves, it moves, it moves)
Not here, not now

I'm an addict for dramatics
I confuse the two for love

You can tell me that you don't bend

Liar if we're keeping score
(Liar)
We're all choir boys at best
(Intrusive and arrogant)
Liar if we're keeping score
(Liar)
We're all choir boys at best
(Intrusive and arrogant)

We're all choir boys at best

Liar if we're keeping score
(Liar)
We're all choir boys at best
(Intrusive and arrogant)
Liar if we're keeping score
(Liar)
We're all choir boys at best
(Intrusive and arrogant)

Liar, liar, it takes one to know one
(Liar, liar)
