we're gonna die like this you know  
miserable and old  
really gotta hand it to you  
really gotta hand it to you  
are you positive  
absolutely sure  
well just get dressed, don't do this  
just get dressed, don't do this

spend the night lit listening to miles davis  
you said it makes you want to fall in love  
or be smart enough to keep your distance  
you can't decide, you can't decide

we're gonna die like this you know  
miserable and old  
really gotta hand it to you  
really gotta hand it to you  
(well just so you know)  
are you positive  
(when we get home)  
absolutely sure  
(we're through)  
well just get dressed, don't do this  
(we're through)  
just get dressed, don't do this

it's a long way back south  
(to where i belong)  
well you've been there once or twice  
(and you still don't like it)  
i say you just never gave it a chance  
(well give me a chance, give me a chance)  
besides did you ever stop to think  
that we could keep this up living like theives  
(but you can't decide)  
you can't decide  
(no you can't decide)  
well you can't decide

we're gonna die like this you know  
(we're gonna die like this)

miserable and old  
(miserable and old)  
really gotta hand it to you

(miserable and old)  
really gotta hand it to you  
(well just so you know)  
are you positive  
(when we get home)  
absolutely sure  
(we're through)  
well just get dressed, don't do this  
(we're through)  
just get dressed, don't do this

are you positive, absolutely sure  
are you positive

we're gonna die like this you know  
miserable and old  
really gotta hand it to you  
really gotta hand it to you

well just so you know  
(we're gonna die like this you know)  
when we get home  
(miserable and old)  
we're through  
(really gotta hand it to you)  
we're through  
(really gotta hand it to you)

just so you know  
(are you positive)  
when we get home  
(absolutely sure)  
we're through  
(just get dressed don't do this)  
we're through  
(just get dressed don't do this)

well just so you know  
(we're gonna die like this you know)  
when we get home  
(miserable and old)  
we're through  
(we're gonna die like this, miserable and old)  
we're through  
(miserable and old)  
well just so you know  
(we're gonna die like this you know)

when we get home  
(miserable and old)  
we're through  
(we're gonna die like this, miserable and old)  
we're through
