I'll take with me every single luxury when I leave you  
could

Count on me for that and nothing more  
(Count on me for that and nothing more)

The view from this side's not what  
The view from this side's not what  
I thought it'd be, promise something differently  
Close our eyes and let go of the wheel

It's not the quantity that bothers me  
(no it's not the quantity that bothers me)  
No it's not the quality that bothers me... it's the means

Twenty-twenty surgery  
Well, twenty twenty surgery for cheap  
Dollar signs doll up a picture perfect point of view  
Twenty-twenty surgery  
Well, twenty twenty surgery for cheap  
For cheap, dollar signs are up, for picture perfect point  
of view

Well all young children listen, 'cause they've got so  
much to learn  
(Turn it in, turn it in)  
We'll get you home in time to make the rent (should be  
for free for being me)

It's not the quantity that bothers me  
(no it's not the quantity that bothers me)

No it's not the quality that bothers me... it's the means

Twenty-twenty surgery  
Well, twenty twenty surgery for cheap  
Dollar signs doll up a picture perfect point of view  
Twenty-twenty surgery  
Well, twenty twenty surgery for cheap  
For cheap, dollar signs are up, for picture perfect point  
of view

I do, I don't need you like you think  
I do, I don't, I don't need you like you think

I do, I don't, I don't need you like you think  
I do, you don't you just don't... leave me alone.

Twenty-twenty surgery  
Well, twenty twenty surgery for cheap  
Dollar signs doll up a picture perfect point of view  
Twenty-twenty surgery  
Well, twenty twenty surgery for cheap  
For cheap, dollar signs are up, for picture perfect point  
of view

You're so sensitive  
I am, I am a machine.  
You're so sensitive  
I am, I am a machine.  
You're so sensitive  
I am, I am a machine.  
You're so sensitive  
I am, I am a machine.
