See it's not like I didn't mean what I said when I said
'I'll put my money where my mouth is'
And I put my money where my mouth was
Until I couldn't breathe through my nose
And now I'm staring at the floor
Where my second life just ended
Where i lost not one but two friends

Yeah I had it all
Was sittin' on top of the world
But I threw it away
Well just to prove that I could

I put my money where my mouth is

See I recall, quite perfectly
Who I was both before and after the drugs
Both before and after the drugs
I put my money where my mouth is
I put my money where my mouth was
I've got a strong will just weak hands
And i don't know what to do with either one of them

Yeah I had it all
Was sittin' on top of the world
But I threw it away
Just to prove that I could
Just to prove that I could
I put my money where my mouth is
I put my money where my mouth is
I put my money where my mouth is

You're a knight in shining Armour with a mother and a
father
You had everything, everything you needed
And it was made crystal clear that would not change

Yeah I had it all,
Was sittin' on top of the world
But i threw it away (why'd you do it? why'd you do it?)
Just to prove that i could

Yeah I had it all (why'd you do it? why'd you do it?)
Yeah I had it good, so good
But I threw it away
Just to prove that I could, I could
Just to prove that I could (why'd you do it? why oh why'd
you do it?)
I put my money where my mouth is (why'd you do it?
why oh why'd you do it?)
I put my money where my mouth is (why'd you do it?
why oh why'd you do it?)
I put my money where my mouth is (why?)

Yeah I had it all
