Verse 1/DOPE E

I try to get out but I can't stop

i knock on wood and pray I don't get popped

Nigga livin' lifestyle don't try to do it

tha cops made a bust so my dope I had to chew it,

I almost blew it, damn dat was close,

so I relocated to anotha post,

I can't get caught, I've been in jail too many times,

can't get a legit job so I slang to get mines,

I'm in it to win it, if ya gank me I get you,

and two weeks later they find ya floatin' in a bayu,

Yo' family, they're cryin', awwh it's too bad,

you've been laid in muddy water, eatin by crowdads,

His posse found out it was me so now they after me,

a bunch of pussies, they aint fittin to do fuck wit me,

Cuz then I'll have to show em, the splatter fest drama,
do it mafia style and kill all they fuckin' mamas,
King of the kingpins collectin' a bankroll,
you fuck me and I shoot ya, then cement your ankles,
Cuz I got a rep for takin' no shit, bitch,
a serial killa some ya can't fuck wit,
And hoes love a dopeman wit money,
but all they get is this black pipe cause I ain't no
dummy,
They track a brotha while he up, and dis 'im when he
down,
that's why I come in they ass, laugh and skip town,
"No way cuz the game's here" so many dispute,
bitch get out my face, I'll pull yo' hand by yo' roots,
Yo' boyfriend owe me money, if ya love 'im betta tell
em,
i wants my muthafuckin' shit before I kill 'im!

(2x) CHORUS

Verse 2/GANKSTA N-I-P

FUCK getting out, my reputation is stout,
if my money ain't legit, yo' mama's heart gets ripped
out,
Ya wanna gank me but ya ain't slick,
"Come short one rock?", I?m mad now, ya fittna die,
bitch,
It ain't funny, ya think I'm a ho?,
.357 to yo' head, why U ain't laughin' no mo'?,
Now it's too late, bitch look what ya did,

now here's a(bang) to yo' head(tommy gun), for yo'
grandkids,

Cops try to control me,

it takes 852 jail cells to hold me,

Dis Nip? Oh, fuck I'ma dis you,

a Uzi in my hand, yo' family gon' miss you,

I ain't the one to be fucked wit,

9mm holopoint cappin' yo' ass, bitch,

That crooked cop, he must think that I'm soft,

i might start by shootin' up his muthafuckin' house,

Got a kilo in my trunk wit sum lead,

Mac-10 infrared scope aimed at a cop's head,

Niggaz geekin' and kidz geekin' too,

"Just say no", (boom) Bitch fuck you!,

The Godfather, I'm always scopin',

got them bitches in my bed wit they pussy wide open,

A nigga snitched, he fucked my connection,

they found parts of his daddy's head in every
direction,

Here come the jump-out boys, let 'em jump out,

I'll get the Uzi, Dope-E ya get the pump out,

And let's blast in the dark , (boom, boom)

36 crooked cops just died in South Park.

(2x) CHORUS

Verse 3

DOPE-E:

Creepin' down the street there wit no caine just the

other day,
there go that nigga who owe me money, I yell "Hey!",
He heard my voice so he bailed down the street,
cuz he know his ass is fittna get beat,
Over the head wit a lead of a gun, teach 'im don't run,
that's the way a nigga be slangin off in Houston
Hey yo, Nip, grab the pipe, get the bat, and the gat,
Watch his guts splat, fuck it and that's that,
Keep my finga on a trigga steady watchin' my stash
cash,

See I ain't got a pity over anotha brotha,
I'll kill yo' bitch ass and I'm serious than a muthafucka.

GANKSTA N-I-P:

Dope! (Whattup?) Get the muthafuckin' scope,
(Got it!) Don't stop shootin', till twenty niggaz croke,
Takin' no shit while I'm slangin',

hangin',
Drugs related killings, cops don't bother,
16 died from the hands of the Godfather,
Lettin' ya know I ain't down for braggin',
call 911, fuck it, call the meatwagon,
You'll die fuckin' wit my dope,
like that nigga they found dead bleedin' wit his neck
