Out on the street for a living  
Picture's only begun  
Got you under their thumb

You wanted the best? You got the best!  
Hit it !!!

Out on the streets for a living  
Picture's only begun  
Your day is sorrow and madness  
Got you under their thumb

Whoo, black diamond  
Whoo, black diamond

Darkness will fall on the city

It seems to follow you too  
And though you don't ask for pity  
There's nothin' that you can do

Whoo, black diamond  
Whoo, black diamond

Out on the streets for a living  
Picture's only begun  
Your day is sorrow and madness  
Got you under their thumb

Whoo, black diamond, yeah  
Whoo, black diamond

(Instrumental)
