Listen to the wind blow, watch the sun rise  
Run in the shadows  
Damn your love, damn your lies

And if you don't love me now  
You will never love me again  
I can still hear you saying you would never break the  
chain  
And if you don't love me now  
You will never love me again  
I can still hear you saying you would never break the  
chain  
(Come to me)

Listen to the wind blow, down comes the night

Run in the shadows  
Damn your love, damn your lies

Break the silence

Damn the dark, damn the light

And if you don't love me now  
You will never love me again  
I can still hear you saying you would never break the  
chain  
And if you don't love me now  
You will never love me again  
I can still hear you saying you would never break the  
chain  
And if you don't love me now  
You will never love me again  
I can still hear you saying you would never break the  
chain

Chain...keeps us together  
(Run into the shadows)  
Chain...keeps us together  
(Run into the shadows)  
Chain...keeps us together  
(Run into the shadows)
