

Taking Dawn "Time To Burn"

Visit "[Time To Burn](#)" on MotoLyrics.com

No I don't know what to say
I just bleed it on the page
And let you motherfuckers scream it like I schemed it
anyway
Straight from the heart I seethe like I'm a part
Of every breath you ever breathe as I weave this
wicked art

Homicidal, kill your idols
Your heroes are whores and your only god is you
Fuck the title, It's a brand new bible
A hymn for the condemned
Let me hear you burn

This is the time, this is the word
Let me hear you sing Halle-Fucking-Lujah
Now is the time, time to burn
Let me hear you sing it

Don't believe the print, every word you read is shit
Yeah I've seen the second coming and it ain't these
pricks
Don't get suckered in, yeah they'd sell their fucking
skins
The lamb is the hand you hold and holds you down

Homicidal, kill your idols
Your heroes are whores and your only god is you
Fuck the title, It's a brand new bible
A hymn for the condemned

Let me hear you burn

This is the time, this is the word
Let me hear you sing Halle-Fucking-Lujah
Now is the time, time to burn
Let me hear you sing it
(Lord have mercy)

This is the time, this is the word
Let me hear you sing Halle-Fucking-Lujah
Now is the time, time to burn

Let me hear you sing it

This is the time, this is the word
Let me hear you say... (3x)

Halle-Fucking-Lujah!

This is the time, this is the word
Let me hear you sing Halle-Fucking-Lujah
Now is the time, time to burn
Let me hear you sing it
(Lord have mercy)

This is the time, this is the word
Let me hear you sing Halle-Fucking-Lujah
Now is the time, time to burn
Let me hear you sing it
