She was the lynched girl (lynched girl)
Of New Jersey
Everybody wants to be like me
She was the lynched girl (lynched girl)
Of New Jersey
Everybody wants to be like me
She said
I'm not a bad girl
Just got some problems
As they tied her to the tree
She was the lynched girl (lynched girl)
Of New Jersey
Everybody wants to be like me
And as they tied her
To the tree
Just so everyone could see
She was the lynched girl (lynched girl)
Of New Jersey
Everybody wants to be like me
And when they put the
Rope around her neck
They tied it quick
It only took one sec.
She was the lynched girl (lynched girl)
Of New Jersey
Everybody wants to be like me
And when they pulled the
Rope around
She couldn't breath hard
And then they dropped her down
She was the lynched girl (lynched girl)
Of New Jersey
Everybody wants to be like me
She was the lynched girl (lynched girl)
Of New Jersey
Everybody wants to be like me
