There's no picture
I could paint to show you
What you mean to me
And no poem
I could write to tell you
What you mean to me

You're more than fire
You are more than rain
You're more than love
And you are more than pain
No, no, there's no single word
That could explain

There's no flower
Blooming like the smile
In your ethereal eyes
And no scholar
Every could explain it - he could be so wise

You're more than heaven
You are more than earth
The origin
You are more than birth
You're more than beautiful
You're everything to me

It's not the way you move
It's not the glowing
On you face when you smile
That makes me trembling and calm
It's not that look in your eyes
When I am going
It's just everything - what you are

There's no ocean
Deep enough to show you what you mean to me
And no mountain
High enough to show what you mean to me

You're more than meaning

You are more than time
You are redemption
You're the reason why
You're so mysterious
You're everything to me

It's not the way you move
It's not the glowing
On you face when you smile
That makes me trembling and calm
It's not that look in your eyes
When I am going

Don't you let them live in your soul
Whenever they will try to barricade the way that you go
You're fragile - souls can fly
