Hello, who are you, I never saw this girl before
I was astonished as can be
Somebody told me she said, you're just a hungry little
guy
So I would like to offer me
To bake some cake for you, the sweetest one you've
ever tried
A special cake for you, the one that makes you
satisfied
Good-bye sadness, I'm dreamin' while you slip away

She took me by the hand, she really took me by
surprise
One piece of cake was not enough
And so I helped myself, we danced inside fool's
paradise
And I got drunk of all the love
Then I realized she moved her velvet body over mine
I felt like melting ice, I just admit this woman was divine
Hey, hey madness, I'm dreamin' while you slip away

While Buddy the sweeper was singing a sad song
And Mary the singer swept the street
The honeymoon's floating over the river
Your cake is sweet

I had a heartache all the pain was over now
She said: "Bye, bye little babe"
It was nice to meet you
She closed her eyes and disappeared
I hope some day we'll meet again
If apple or cherry-pie you honey-bee I love the way you
bake
Your cakes are wonderful, don't care about my
stomach-ache
Good-bye sadness, I'm dreamin' while you slip away

While Buddy the sweeper was singing a sad song
And Mary the singer swept the street
The honeymoon's floating over the river
Your cake is sweet
