I believe the sun should never set upon an argument

I believe we place our happiness in other people's hands

I believe that junk food tastes so good because it's bad for you

I believe your parents did the best job they knew how to do

I believe that beauty magazines promote low self esteem

I believe I'm loved when I'm completely by myself alone

I believe in Karma what you give is what you get returned

I believe you can't appreciate real love until you've been burned

I believe the grass is no more greener on the other side

I believe you don't know what you've got until you say goodbye

I believe you can't control or choose your sexuality

I believe that trust is more important than monogamy

I believe your most attractive features are your heart and soul

I believe that family is worth more than money or gold

I believe the struggle for financial freedom is unfair

I believe the only ones who disagree are millionaires

I believe in Karma what you give is what you get

returned

I believe you can't appreciate real love until you've
been burned

I believe the grass is no more greener on the other side

I believe you don't know what you've got until you say
goodbye

I believe forgiveness is the key to your unhappiness

I believe that wedded bliss negates the need to be
undressed

I believe that God does not endorse TV evangelists

I believe in love surviving death into eternity

I believe in Karma what you give is what you get
returned

I believe you can't appreciate real love until you've
been burned

I believe the grass is no more greener on the other side

I believe you don't know what you've got until you say
goodbye
