I never though I'd change my opinion again

But you moved me in a way that I've never known

You moved me in a way that I've never known

But straight away you just moved into position again

You abused me in a way that I've never known

You abused me in a way that I've never known

CHORUS:

So break me shake me hate me take me over

When the madness stop then you will be alone

Just break me shake me hate me take me over

When the madness stop then you will be alone

So you're the kind who deals with the games in the  
mind

Well you confuse me in a way that I've never known

You confuse me in a way that I've never known

Repeat - Chorus

She says, "I can help you, but what do you say?"

But it's not free baby, you'll have to pay

You just keep me contemplating, that your soul is  
slowly fading

God don't you know I live with a ton of regret?

'Cause I used to move you in a way that you've never

known

But then I accused you in a way that you've never know

But you hurt me in a way that I've never known...

CHORUS 2:

Break me, shake me hate me take me over

When the madness stops then you will be alone

So won't you break me shake me hate me take me over

When the madness stops then you will be alone

Listen, baby

You'll be, you'll be alone

Break me shake me hate me take me make me

Fake me break me shake me hate me take me

Break me
