The moonlight...  
Shines down interstellar beams  
and the groove tonight  
is something more than you've ever  
seen  
the stars and planets taking shape  
a stolen kiss has come to late

#### CHORUS

In the moonlight  
Carry on, keep romancing  
Carry on, carry on dancing  
In the moonlight  
Carry on, keep romancing  
Carry on, carry on dancing  
You're never safe 'till you see the dawn  
And if the clock strikes past midnight  
the hope is gone  
To move under...

#### CHORUS

Move. Closer. Passion. Stronger  
Theres a magic only two can tell

in the dark night

ultra violet is a wicked spell

the stars and the planets taking shape

a stolen kiss has come to late

CHORUS

Moving on...Moving all night
